To Whom It May Concern:

I am pleased to be writing on behalf of Miss Fran Santoleri, who has served as a building substitute, one-on-one instructional assistant, and classroom assistant here at Indian Lane Elementary School. Miss Santoleri has done an extremely fine job in every assignment she was given.

As a building substitute, Miss Santoleri gladly accepted any classroom position and completed the teacher's plans as written. When a need arose for a one-to-one aide in our developmental kindergarten, Miss. Santoleri welcomed the assignment with enthusiasm and quickly became an integral part of the teacher's classroom. Later, an opening occurred in the same program for a classroom aide and Miss Santoleri was our first choice due to her work in that classroom. I observed Miss Santoleri teach the morning activity lesson and was impressed at how calm and supportive she remained while instruction eight special needs students. She offered praise and specific feedback as needed and was positive throughout the lesson.

I believe Fran Santoleri would be a positive addition to any elementary school's staff.

Sincerely,

A handwritten signature in black ink that reads 'William M. Bennett'. The signature is written in a cursive style with a large, prominent 'W' and 'B'.
