To Whom It May Concern:

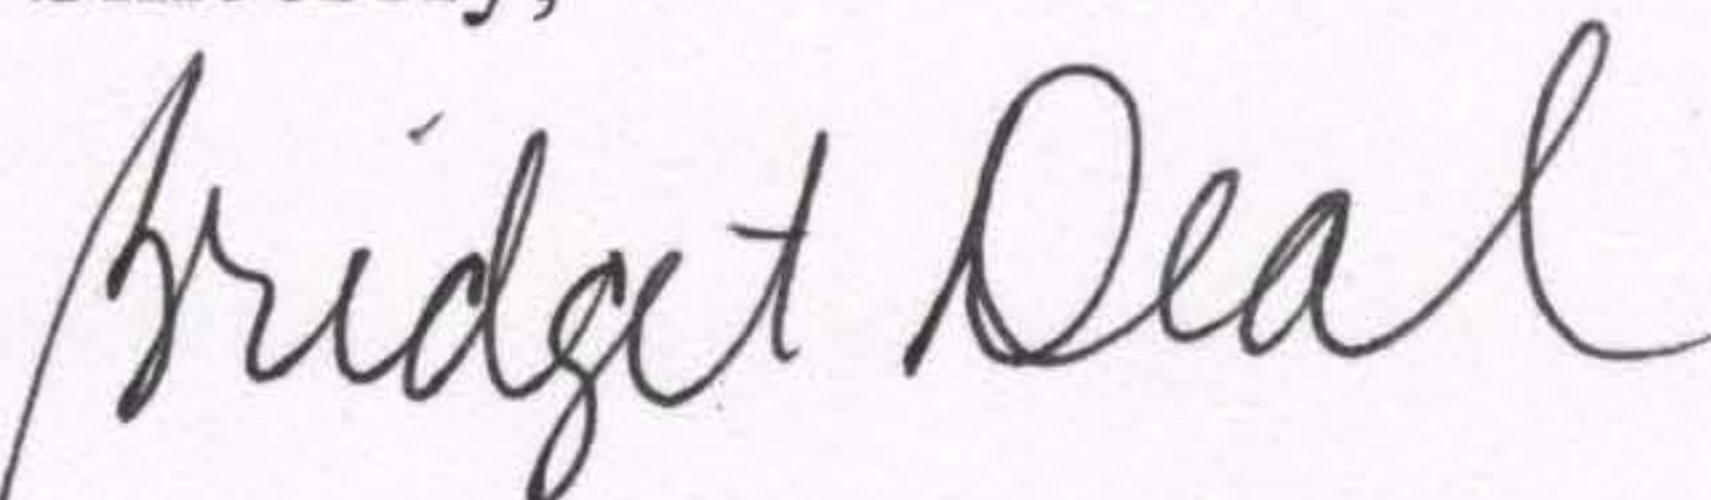

I am pleased to write a letter of recommendation for Frances Santoleri. I have been a colleague of Ms. Santoleri's for the past year at Chester Community Charter School. In that time, Frances has exceeded my expectations of her. Her enthusiasm for teaching combined with her personality serves her well in the field of teaching.

In my role as Reading Coach, I have observed Ms. Santoleri demonstrate her exceptional teaching abilities in a Kindergarten classroom. Her increased knowledge of the core curriculum allows her to analyze DIBELS scores to create small flexible groups that differentiate instruction and meet her students' individual and specific needs. She has faced the challenges of teaching a new curriculum head on and hasn't ceased in finding ways to better herself in the field.

Ms. Santoleri's classroom management techniques are extremely effective and result in providing her students with a safe and loving environment. She is a resourceful, creative, and solution-oriented person who is frequently able to make decisions necessary for improvement in her classroom.

Based on my experience working with Frances Santoleri, I can enthusiastically recommend her for a teaching position in your school district. The children that she teaches are fortunate to come in contact with her and will blossom under her guidance.

Sincerely,

Bridget Deal  
Reading Coach
